Coco's Birthday

The Webkinz are getting ready for a birthday party. This time, it was Coco, Beaker's mom's, birthday. "Can we take a break, Lulu? I'm tired." said Hugo.

>"No, Hugo. Coco will come back with Beaker any minute now. And I want everything up before they come through the door." said Lulu. Hugo sighed and continued hanging up decorations.
"Hey, guys. They're coming!" said Hector.

>"Quick, everyone. Hide!" said Stripes. Everyone hid while Coco and Beaker came in.
"Surprise!" said everyone in unison.

>"How did you guys know it was my birthday today?" said Coco.<p>

"Yeah, how did you guys know?" asked Beaker.

>"You told us, remember?" asked Buddy.<p>

"Oh, I guess I did. It must've slipped my mind. Thank you guys for remembering my birthday." said Coco.

"No problem." said Easter.

>"Well, what are we doing standing here? The party's in the other room." said Vixen.<p>
